Enjoy your 3D experience in total comfort

3D Active Glasses

Watch your world come alive with Samsung's new 3D Active glasses. Right away, you'll notice the new, sleek design that was built for improved comfort, without compromising performance. The ergonomic glasses are designed with flexible temples and adjustable nose pads that guarantee a perfect fit. Light weight and perfectly balanced, the 3D glasses allow for hours of use without any discomfort. They can even fit comfortably over standard eyeglasses so everyone can enjoy the full 3D experience.
